## **Chief Investment Officer Stephen Sexauer Appointed Interim CEO**

SAN DIEGO — Today, the SDCERA Board of Retirement appointed Stephen Sexauer to become Interim Chief Executive Officer of the San Diego County Employees Retirement Association, effective May 1.

“Steve was the Board’s first and only choice to be SDCERA’s interim CEO. He is trusted by the Board, incredibly capable and able to provide stability for the staff through this transition,” said Board Chair Samantha Begovich.

SDCERA CEO David Wescoe said, “Steve is not only the best CIO in the country, he is also an experienced manager with great strategic and operational skills. He will be a great leader for SDCERA.”

Mr. Sexauer noted that he will continue as SDCERA’s CIO during the transition and return to that position full time after a new CEO is hired.

Prior to joining SDCERA in 2015, Sexauer worked at Allianz Global Investors as Chief Investment Officer, Multi Asset, of Allianz Global Investors where he managed over \$7 billion in multi-asset institutional portfolios and retirement income solutions.

Sexauer graduated from the University of Illinois with a B.S. in Economics and from the University of Chicago with an MBA in Economics and Finance.
